

- **SUPERVISION:** Team One (GIBH) Next: Team Two (HAMM/MARH)
- **Term Two has started**, if you haven't already done so, you should check in with your teachers for the second half of a credit that you might be registered for.

Are you a First Nations, Métis or Inuit grade 11 high school student who wonders what it would be like to study science or engineering at University? The 2018 Kirkness Program at the University of Manitoba will be held the week of May 27 - June 1, 2018. Students will be chosen from across Canada to spend a week in a University research lab. With 2 students per lab, you will have someone your own age on this adventure with you! You will become a member of a research team for the week doing experiments and attending lab meetings. The application deadline is January 31 and all students will be notified in early March. Successful applicants will have their meals, accommodations and travel expenses covered.
