INTRODUCTION

The MBCI Student Handbook, along with the current course description handbooks, are intended to assist students and their parents or guardians in understanding the school's operation and program offerings.

It is the responsibility of all students to familiarize themselves with the information, regulations and policies of the school as noted in this and other handbooks, as announced in classes and assemblies, and noted in the school's daily announcement bulletin - THE BLURB. It is the responsibility of each student who registers at MBCI to be familiar with the specific requirements associated with the particular diploma which he/she seeks. While advice and counselling are freely available, it is the responsibility of the student to ensure that the courses taken are appropriate to the student's program requirements.

At this school, as in society at large, certain guidelines are established to create an environment in which students may be free to pursue their education with as few interruptions or distractions as possible. Every student agrees by the act of registration to be bound by the regulations and policies of the school and school division as may be in effect or amended during the period of attendance. We ask for your cooperation and welcome suggestions for improvement of these guidelines. We wish your school experience at MBCI to be a successful and enjoyable one!

A.5 ATTENDANCE and LATE PROCEDURES

There is a high correlation between regular attendance and academic success. According to the Public Schools Act, the responsibility for ensuring regular school attendance lies with the parents/guardians **and** the student. It is the expectation of Kelsey School Division and Margaret Barbour Collegiate that all students attend all classes and be on time. High school courses are designed to include student participation and discussion.

The attendance policy is based on the understanding a student will be in attendance for at least 80% of a course. **Any student who misses 20% or more in any given course will no longer be eligible to earn credit in that course.** Excused absences not included in this 20%: hospitalization, school related, court, extenuating circumstances at the discretion of administration. Other absences will be marked as explained or not explained; but none of these are excused.

To aid in tracking attendance problems, an automated phone call, or an e-mail sent, to your home will report every absence. Letters, electronic when possible, will be sent after five, ten and fifteen absences. Once a student is absent for 20% of a course, the student will be informed by the school that no credit will be granted.

When students are away from classes, it is a requirement that:

- a) Parents/guardians must notify the school **within 2 school days of an absence.**
- b) They are responsible to **complete missed course work** promptly and thoroughly. A student who is truant from class or for whom no call has come in will not be able to submit work or do tests from that day. Parents may contact the school receptionist during office hours or leave a voice mail at any other time.

Tardy Intervention Policy:

Punctuality is an important and responsible habit to develop. Arriving on time also prevents classroom disruptions. Students who are habitually late will be identified for intervention to help correct bad habits and develop skills for success.

Step One: If the student has been tardy (late) five times in a semester (3 times in a half semester course): The student will be given a letter for the parent to sign as a condition of re-entry to class. (Note: Students who forget the letter will be sent to the office to call the parent for verification that the letter was received.)

Step Two: If the student continues to be tardy and accumulates 10 late notes on Maplewood School Administration Program (or 5 in a half semester course) the following steps would apply:

1. The student would be denied entry to class late and sent to the office; teachers will call the office and mark the student absent/class suspension.
2. Students sent to the office during class time will be sent to a room for in school/class suspension.
3. The teacher would notify the parent of the on-going problem.

Step three: After two class suspensions for tardy, the student's status in the course is to be reviewed. The administration will notify the parents/guardians and the student may be withdrawn from the course.

A.6 VIDEO SURVEILLANCE

The school is under video surveillance. It is used to ensure student safety and can be reviewed to resolve safety issues or vandalism concerns.

A.7 OFFICE HOURS

General Office	8:00 am - 4:15 pm
Student Services Centre	8:45 am – 12:25 pm 1:25 pm - 4:15 pm
Library	8:00 am - 12:25 pm 1:00 pm - 4:00 pm

A.8 SEMESTER SYSTEM AND SCHOOL DAY

The school year at Margaret Barbour Collegiate is divided into two equal time blocks:

Semester I	September 7 – February 2
Semester II	February 5 – June 29

Instruction is based on a **six day cycle**, with each day containing five periods of 65 minutes. There are short breaks between classes and a 65 minute break for lunch. Most courses end after one semester but a few go all year, some on alternate days. Remember the school cycle day (even or odd) to determine your schedule. Students in Grade 9 and Grade 10 are scheduled for classes during the whole day. Students in Grade 11 and Grade 12 should complete 7-8 credits per year in order to graduate on schedule and get the courses they require for entry to post-secondary institutions. **Students on part time schedules may be placed in restricted timetables.**

A.9 ANNOUNCEMENTS

Brief, general announcements pertaining directly to school activities are made over the public address system at the start and close of the school day and during some breaks. Detailed announcements are posted via the daily bulletin (The Blurb) on school bulletin boards, website and circulated to the teachers. It is the students' responsibility to check The Blurb regularly for information directed to them. Approved submissions for announcements included must be received in the General Office by 3:00 p.m. of the previous day. The **BLURB** is posted daily on the MBCI website, www.mbcithepas.com. Due to new anti-spam laws, parents and guardians wanting to receive the **BLURB** must inform the school that they do want to receive it.

A.10 EMERGENCY CONTACT

Parents can contact the school to leave emergency messages. These must arrive by 3:00 pm to ensure students can be contacted. In the event of an emergency at the school, parents will be notified by public radio announcements on CJAR and the community channel. The automatic messenger will be used as well as e-mail.

A.11 AWARDS

Awards to deserving students for curricular and extra-curricular achievement are made each year. Most bursaries and scholarships must be applied for by the student. Information about these is available from the counsellors.

MBCI Honours Awards

The MBCI Honours Awards are presented annually to recognize those students who have achieved an academic average of at least 80% with no mark lower than 75%. This has not changed.

The honours criteria are as follows:

1. Only course marks from one grade level (Grade 9, 10, 11 and 12) will be used when calculating averages. For example, if a Grade 11 student completes a Grade 12 course, the mark obtained will not be averaged with the Grade 11 marks but will, instead, be averaged with their Grade 12 marks when the student has fulfilled the Grade 12 requirements. If a student has earned more electives than required; only the highest marks of the electives will be included in the average calculation (but no marks can be lower than 75%). Marks from half courses will be averaged. ** If a student has not completed enough electives at a lower level because the student is taking advanced level electives, then an elective from a higher grade level may be utilized to fulfill this requirement. A course cannot be used more than once, which means if a course is used for a lower level, it may not be used again for the higher level course average.
2. Honours Requirements: Grade 9, 10, 11 and 12
 - a) Grade 9 Requirements:
Successful completion of **eight** Grade 9 credits including five mandatory courses and three electives, students with more than the required number of electives, only the top 3 will be used. RIT is not included in the mandatory course requirements.
 - b) Grade 10 Requirements:
Successful completion of **eight** Grade 10 credits including the five mandatory courses and three electives, students with more than the required number of electives, only the top 3 will be used.
 - c) Grade 11 Requirements:
Successful completion of **seven** Grade 11 credits including three mandatory courses and four electives, students with more than the required number of electives, only the top 4 will be used. Phys Ed 30 is not included in the mandatory course requirements.
 - d) Grade 12 Requirements:
Successful completion of **five** Grade 12 credits including two mandatory courses and three electives, students with more than the required number of electives, only the top 4 will be used. Phys Ed 40 is not included in the mandatory course requirements
3. Should a student repeat a course and/or Provincial Standards Exam, for the pursuit of a higher mark, they may be considered for Honours should:
 - a) the repeated course be the exact same credit as the previous course, i.e. PCM40 is for PCM40, not a different course,
 - b) the new course, or grade with the repeated Provincial Standards Exam, has a final grade above the 75% and
 - c) all other courses still have an average of at least 80% and no mark other than the initial course is below a 75%
4. Honours students are eligible for MBCI Merit Awards.
5. Four Year Honours awards – eligibility for Four Year Honours requires that a student must be eligible for an MBCI Diploma, plus have received Honours at all four grade levels. This means that the student must have 33 credits in total, with the final two credits being their Grade 11 and Grade 12 Physical Education credits.

MBCI Subject Merit Awards

In order to recognize the academic achievement and contributions of students in particular courses. Classroom teachers nominate students for the Subject Merit Certificates at the conclusion of each semester and are presented at the beginning of the next.

MBCI Leadership Awards

The MBCI Merit Awards are presented annually to recognize the accomplishments of MBCI students during the previous academic year. Students who have demonstrated a strong work ethic, a willingness to co-operate, a positive attitude, respect for staff members and fellow students and have contributed to the life of the school are eligible to be nominated for this award. In order for a student to be a recipient of this award, the following criteria must be met:

- 1) The student must be nominated by a teacher.
- 2) Each nomination must be supported by at least one other teacher.
- 3) The student must have received a passing grade in all courses. In exceptional cases, school administration may waive this requirement.
- 4) A list of nominated students will be posted for staff review. Any dissenting opinion will be considered before any final decision is made.

Other Awards

Students achieving a final grade of at least 90% in a course will be placed on a published **List of Excellence**.

The **Governor-General's Bronze Medal** is awarded to a graduating student with the highest academic standing in all Grade 11 and 12 level courses.

Athletic awards: Most Improved Player and Most Valuable Player from each sport's team, Junior Varsity Athletes of the Year, and Senior Varsity Athletes of the Year are presented during the annual Athletic Awards Assembly in June.

Recognition awards are presented to nominated former students approved for specific categories of post-high school achievement.

A.12 STUDENT ADVISOR

Each student will have a Student Advisor selected from the professional staff. Students have 1 advisor in Grade 9 and then are assigned another for the remainder of their high school career. The Student Advisor meets with advisees, facilitates communication between advisees and other teachers as needs arise, and meets with advisees for reporting period interviews. Students may request a change of student advisor.

A.13 STUDENT COUNCIL**Student Council/Leadership Class**

This year at MBCI we are moving from an elected student council to a credited leadership class with weekly, noon-hour classes. Students will apply to take part in the class and upon being selected will earn a full credit for attending 110 hours or ½ credit for attending 55 hours. These students will play an important role in student affairs. While working with administration they will be planning and organizing various activities and promoting the best interests of the school. All activities implemented by the leadership class are held under the regulations set out by the school administration. Leadership curriculum and other programs will be addressed at each class. All students wishing to attend the class should speak with Ms. Johnson or Ms. Dyck. Class will be held in room 159 every Tuesday.

A.14 TIMETABLE

2:40 p.m. - 3:45 p.m.	5	5

A.15 TRANSCRIPTS AND TRANSFER FORMS

Students who transfer to another school should obtain a transfer form from the office and complete the appropriate school exit forms before they leave. A transcript will be provided to each student who does so in order to assist their registration in the new school. Graduates receive one official transcript.

B. SCHOOL BUILDING AND ORGANIZATION

B.1 REGISTRATION FEES

All students are required to pay a registration fee which includes:

	NEW	RETURNING
Yearbook (optional):	\$35.00	\$35.00
Registration Fee	45.00	10.00
Total Fee	\$ 80.00	\$45.00

In addition, some courses have a course fee for materials or supplies, and UCN courses require an additional \$20.00 fee per course credit. Students who fail to return textbooks will forfeit their caution fee and be assessed the replacement cost of the textbook(s) lost. Make cheques payable to "Margaret Barbour Collegiate Institute". NSF cheques result in a \$10.00 charge to the student. **Students who withdraw** may receive a partial refund if the proper documentation is submitted within two weeks and no fines have been assessed. Textbooks are the property of the school. Students are responsible for their use and return to the course teacher at the designated time. If a book is lost, or returned and showing greater than normal usage, the replacement cost (usually about \$50-\$110) will be charged to the student and the caution fee forfeited. **The school reserves the right to withhold credits, reports or timetables until outstanding fees or fines are paid. All fees and fines must be paid before graduating.**

B.2 COURSE WITHDRAWAL

Students wishing to withdraw from a course must submit the "**Request to Discontinue Course**" form with the signature of the parent, teacher, and counsellor to the principal. A course discontinued in any other manner will be recorded as a Failure. Special consideration will be given when a course is discontinued for medical reasons.

B.3 SCHOOL LEAVING CHECKLIST

All students leaving school before the end of a semester must complete a "School Leaving Checklist" available from the General Office or Counsellors. Failure to do so within two weeks of leaving school will result in **forfeit of the caution fee** refund. Students are also requested to complete an "Exit Survey".

B.4 REQUEST TO LEAVE BEFORE SEMESTER END

Only in exceptional circumstances will consideration be given to allowing credit for courses being taken when a student leaves school before the end of a semester. In no case will the early leave granted mean a reduction in the course workload, therefore, requests for early leave should be submitted to the principal at least three weeks prior to the anticipated leaving date.

B.5 LOCKERS & LOCKS

Lockers are assigned and each student must submit a completed "Locker Loan Agreement" form signed by a parent/guardian (students 18 years of age or older may sign). A student is legally responsible for items in his/her allocated locker. Use of locks other than those issued by the school on hallway lockers is forbidden. **A fine of \$10.00 will be assessed for each unauthorized lock. There is a \$15.00 fine if lockers are not cleaned out at year end.** Students must provide their own lock for the lockers in the pool change area. This lock is to be used for the duration of the activity only as this is an area open to the general public. An additional school lock can be obtained from the General Office upon payment of a fee. Lockers are to be kept clean. Displayed materials must comply with the same guidelines as for student behaviour or clothing. **Lockers are subject to inspection.** Students are advised not to bring valuables to school. **Students are NOT to share lockers or use someone else's. Students sharing lockers may lose their locker privileges.**

B.6 TEXTBOOKS

Textbooks are the property of the school. Students are responsible for their use and return to the course teacher at the designated time. If a book is lost, or returned and showing greater than normal usage, the replacement cost (usually about \$50-\$110) will be charged to the student and the caution fee forfeited. **The school reserves the right to withhold credits, reports or timetables until outstanding fees or fines are paid. All fees and fines must be paid before graduating.**

B.7 STUDENT PARKING AND BUS LOADING

Student parking, on a first come first served basis, is available in the **public parking lot south of school**. Parking is also available on the west side of Smith Avenue and both sides of Grace Lake Road. Bus loading usually occurs south of the school in the designated loading area. Students and teachers are not permitted to park in the Winton Pool parking lot during school hours and their vehicles may be towed if they do so. **Loitering in the student parking lot is not permitted.** Drivers are asked to show caution when entering and exiting the parking lot. Failure to do so will result in loss of privileges.

B.8 SPORTS GROUND COMPLEX

During school hours, the grounds of the adjacent sports complex are under the jurisdiction of the SBMS and MBCI Physical Education staff. Students or members of the public shall not interfere with school classes being held there. All rules of the school apply in these areas. **This includes the skateboard park area. All visitors must report to the office.**

B.9 CAFETERIA

This facility is open only to registered MBCI students and KSD staff. Students may bring their own lunch to the cafeteria during the lunch period. The cafeteria hours are from 8:30 a.m. to 3:30 p.m. **The cafeteria is out of bounds to MBCI students during the period 11:40 a.m. to 12:25 p.m. while it is being used by Scott Bateman Middle School.** Students are responsible for keeping the area tidy by placing litter in the garbage can. Other than at noon, the cafeteria area may be used as a study hall. Proper behaviour is required at all times. Students are not to lie on the furniture or block entrances. As in other areas of the school, students who misuse this facility or who do not behave responsibly will be banned. Students who vandalize will be required to pay restitution. Do not unplug equipment to charge phones.

B.10 LIBRARY RESOURCE CENTRE

The library provides several multi-media resources and services to students. There is also a good collection of general reading materials. The computerized catalogue system can supply a wealth of information rapidly. The library clerks are willing to offer help and advice so that students become independent in their ability to use this resource. Access to word processing equipment is provided for occasional student use. The library is also a place for quiet study. Students who are disruptive will be asked to leave. Students who persist in unacceptable behaviour will lose their library privileges. Books are loaned for a period of two weeks. Late charges have been discontinued. Students who do not return their borrowed library books will be charged the cost of the book. All charges must be cleared prior to graduation. IPODS and iPhones are not to be used in the library at any time.

B.11 STUDENT TELEPHONES

Students use pay phones which are located in the main and east lobbies. Use of office phone is restricted to emergency situations. Telephone messages of an urgent nature will be relayed to students by the general office staff at break times. **Cell phones are not to be used or left on within the classroom, unless alternate arrangements have been made in individual classrooms, as per Board policy.**

B.12 LOST AND FOUND

All Lost and Found articles should be turned in or claimed at the reception desk in the General Office.

B.13 EMERGENCY RESPONSES

Strangers: Students are to report to their teacher or the office any strangers in the school not accompanied by staff member or wearing a visitor badge.

Fire: Upon the sounding of the alarm, all staff and students are to exit the building and gather as a class away from the school and off roadways. Teachers are to take attendance. For students on spare, they are to exit all areas immediately and remain outside. Return to the school will be by announcement from administration or by 2 short soundings of the alarm bell.

Security Alert: The PA system will be used to broadcast the message, "*This is a security alert.*" At that time, all students and staff are to remain in their classrooms, library, SSC or cafeteria. The adults in these areas will lock all doors and students are to move to an area out of sight of the hallway windows. Lights should be turned off.

- Students in the halls are to immediately go to the nearest classroom. If it is locked, then they are to go to the nearest washroom and remain there until the all clear is announced.

- Further instructions will be given.

- Students not in the building will be directed by school personnel to remain outside or to move to a safe area (SBMS in most cases).

- Once the potential security problem has been secured, then the announcement of "*all clear*" will permit normal movement in the building.

Community Emergency: Upon sounding of the emergency siren, students will be brought in to the building. Students will all be moved to the gymnasium.

B.14 TRESPASSING

Under Manitoba law any visitor (other than registered students, Division employees and school trustees) must first report to the school office. Trespassers will be charged, with fines up to \$1000.00. Causing a disturbance may result in a fine up to \$5000.00. Students who have been suspended are not allowed to enter upon school property **nor to be in the school area**, and will be charged with trespassing upon entering the school or grounds during regular hours without permission from the principal.

B.15 UNIVERSAL STUDENT ACCIDENT INSURANCE COVERAGE

The Kelsey School Division Board of Trustees has purchased **Universal Student Accident Insurance Coverage** for all students within the Division. This insurance provides coverage for all students while at school, while involved in school activities away from the school premises, while travelling to or from school and while travelling to or from a school activity. This insurance does not replace the voluntary student accident insurance coverage and is excess of benefits provided by Manitoba Health and excess or any benefits to the student under any group benefits program. Claim forms are available at www.studentaccident.com or by calling 1-800-556-7411.

B.16 SAFETY FORM

All students taking technology exploratory programs must sign a safety form prior to using any shop facility. Failure to follow the proper safety procedures endangers the safety of everyone in these programs. Anyone violating safety concerns could be removed from the class. If a student is removed from a technology exploratory program for safety procedure violations the student will not be permitted to re-enrol at a later time.

C. CURRICULUM

C.1 CREDITS, GRADUATION REQUIREMENT

Grade 9 students must register for a course load of 10 credits. Grade 10 students register for 9.5 credits. All students require 33 credits (in 4 years) under the MBCI diploma requirements or 30 credits for Provincial Diploma. Grade 11-12 students are strongly advised to register for 4 credits per semester or at least 7 credits per school year. All required credits must be completed prior to graduation day. Counsellors are available to assist students with selection of courses, but it is the responsibility of the student to ensure that the course selection meets graduation requirements and entrance requirements for post-secondary education.

C.2 GRADUATION

Students should check the current [Senior High Registration Guide](#) for diploma and certificate graduation requirements. The process of graduation begins before the end of Semester 1 with the completion and submission of an "Application to Graduate" form which may be obtained from a school counsellor. Once approved by the principal and counsellor, the student will be placed on the official Graduation List and will receive various communication bulletins about graduation. If the student's situation changes and the requirements can not be met, the student is informed by a counsellor and is removed from the list.

C.3 SPECIAL LANGUAGE CREDITS

Students who are fluent in a language other than English or French may apply to take a Manitoba Education challenge exam to receive credit for the language. Application forms are available from the counsellors and must be completed by the end of September. The school organizes Cree challenge exams once a year.

C.4 EXAMINATIONS AND STANDARD TESTS

Information on which courses have exams is found in the current Course Description Booklet. MBCI exams are at least two hours in length with a minimum writing period of one hour before students are released. All students enrolled in a course are required to write the examination. Exam schedules are posted well in advance of exam week. Cheating is a serious offence. Offenders will receive a failing grade (0%) for the test or examination. Exams will not be rescheduled to accommodate vacation or travel plans. Students who, for serious and unexpected reasons, are **unable to write the examination as scheduled must be referred to the principal** who will consider whether an alternate examination date is reasonable and possible. Students who are unable to write an exam due to health reasons must submit a doctor's certificate. **All term assignments must be completed prior to the examination if these are to be part of the final grade.** Final grades are recorded as percentages on the official end of semester report. Students authorized to carry-over partially completed courses which were previously approved by the principal, will have this indicated by the term "No Credit". When the course is completed, the grade will be granted.

C.5 STUDENT ACHIEVEMENT REPORTING

Teachers employ a variety of evaluation techniques and strategies in assessing student progress in a course taught. It is the responsibility of the student to understand what is expected in order to receive credit in a given course. Final grades in any course will consist of accumulated course assessments and usually includes a final test or examination. Specific reference to evaluation used is noted in the Course Description Handbooks and it is explained at the start of each course.

Examinations and tests form a basis for most course evaluations and students are advised to treat these with a serious attitude.

Each student's Advisor will meet as required with the student and parent/guardian to issue mid-semester reports, both fall and spring. For each course, teachers will also issue official reports at the end of the semester, but teachers may report to parents and students at any time to deal with special situations. Parents and students are encouraged to consult course teachers whenever they have concerns.

C.6 CHALLENGE FOR CREDIT

This program allows a student to challenge for credit instead of taking the course. It is intended for students with advanced skills, with prior learning in another province or coming from private study. It involves a pre-assessment by school staff to determine relevance and then an evaluation process which reflects the normal evaluation in the course being challenged. Students cannot challenge a course they have previously attempted.

C.7 VOLUNTEER CREDIT

Students can earn 1 credit during their high school career by doing volunteer activity in the community. **Students must register for this program before beginning it.** No prior activity hours can be used. Special application forms may be picked up from the school administration. Students can complete this credit at any time during their high school career though it is normally attempted by more mature students.

C.8 MARK APPEALS

Students appealing grades must do so no later than two weeks after reports are issued and pay the required fee. The route of an appeal is to the teacher initially, then to the principal. A fee may be charged. Students who miss a major test or examination will be assigned a failing grade. All materials used for evaluation that are not returned to the student will be available for student/parent perusal for a period of three weeks after each reporting period.

C.9 STUDY TIME

Unscheduled school time on a student's timetable is for study or physical education activities. Study areas include the Library, Student Services Centre and the Cafeteria. Should a course teacher determine that a student's study time is not being used wisely or student's marks are suffering, the teacher may require the student to spend the study time in a designated area until the student's mark show an improvement.

C.10 INDEPENDENT STUDY/WEB COURSE REGULATIONS

A guidance counsellor may recommend that a student be allowed to take an Independent Study/WEB course. Provincial independent study/WEB courses are difficult. A student may consider taking an Independent Study/WEB course if the course desired is not offered by the school, or the course desired cannot be scheduled into a student's timetable. If a student takes such a course, the student will pay a caution fee for books, to be refunded when the books are returned. In some cases students must pay for the books. A student should take only one independent study course at a time while handling a regular workload. All course work and exams must be completed by the end of May.

C.11 SUMMER SESSIONS

There are various summer schools available in Manitoba for students who wish to make up failed courses. See a counsellor for information on locations, costs, registration forms, etc. Internet summer courses are available.

D. STUDENTS

D.1 ACADEMIC RESPONSIBILITY

Student academic responsibility includes **regular attendance, punctuality, satisfactory conduct, participation and effort** in class work and assignments. Overdue assignments or tests, if accepted, will have marks deducted. Students who do not accept their responsibility and who fail to respond to remedial measures will be required to withdraw from a course. Parents will be informed by the teacher when a student is lagging in class due to personal indifference and failure to apply him/herself in the course. **If the student persists with laggard attitudes, the student will be required to withdraw from school.**

D.2 SCHOOL SAFETY

It is everyone's responsibility to ensure that all staff and students can be safe at school. Students are to report any strangers in the school. Upon hearing the announcement: **THIS IS A SECURITY ALERT**, all students are to remain in their classrooms or supervised areas. Those in the hall must immediately report to the nearest supervised area. Everyone is to remain in this area until an all clear is given. Students and staff are to ensure the classroom door is locked and lights are turned off. Students and staff are to move to a corner of the room out of sight of the door. If time permits, books should be taken off the desks as well.

D.3 OPEN CAMPUS

As with many other large high schools, Margaret Barbour Collegiate Institute operates under an open campus system, that is, students are responsible for their activities during unscheduled school time. It is recommended that during unscheduled periods, students utilize this opportunity for study, assignments, research, physical education units, etc. Students must be in designated areas.

D.4 Code of Behaviour

Pupils and staff must behave in a respectful manner and comply with the code of conduct. All students are to be aware of all the expected behaviours. Students must also be aware that:

D.4-1 Assembly Rules

1. Assemblies are meetings at which all students are expected to be in attendance (unless specifically excused by the principal).
2. Students will first report to their classrooms and will leave their books in the classroom when called to assembly. Students not assigned to a class shall report to the auditorium in time for the assembly, leaving their books in their lockers.
3. Students are to be seated in areas as specified by supervising teachers. The usual procedure is to fill the auditorium from the front.
4. **No caps or heavy jackets** are to be worn in the auditorium. **They are to be left in the classrooms.**
5. There is to be no disrespectful behaviour toward others. This includes talking, laughing, "showing off", or in any way drawing attention to oneself. During performance type assemblies, students are expected to show good audience sense in listening to the performance.
6. Assemblies will be called to order and dismissed by the principal, or by the MC of the assembly. Classes will leave the gym in groups, in an orderly fashion, with their teachers when told to do so by the MC.
7. Students will be permitted to return to their previous classroom for a few minutes after the assembly to finish the period or to get their books.
8. The cafeteria and library are closed to students during an assembly.

D.8 COUNSELLING SERVICES

D.8-1 GUIDANCE

Guidance, which originated in programs to help students choose careers, has grown to include counselling on a wide array of concerns. Students who seek help from counsellors should arrange interviews during study periods unless immediate assistance is required. Counsellors deal with concerns related to educational and career planning, course selection, self-understanding and acceptance, problem solving, future planning, peer relationships, social adjustments, family conflicts, dating problems, lack of academic achievement, self worth, etc.

D.8-2 STUDENT SERVICES CENTRE

The **Student Services Centre** contains information pamphlets on careers, university and community college calendars and applications. Counsellors also act as a referral agent to outside agencies. Frontier School Division provides a counsellor for its home placement students at MBCI. Other agencies may provide visiting counsellors. The SSC is for quiet study, reading and research. It is not intended for socializing or lounging.

D.8-3 AFM Counsellor

MBCI participates in a "Youth Intervention" project funded by the Addictions Foundation of Manitoba and KSD. A special counsellor at MBCI is available to students every Monday and Tuesday. Students may access these services, in individual or group counselling sessions, through self-referrals or via recommendation of school teachers, counsellors or administration. Services provided by the project include assistance with gambling problems, are:

- a. Assessment: Reviewing a student's use of alcohol/drugs and determining the steps needed to resolve the negative consequences.
- b. Education: Providing information to individuals or classes on signs and symptoms of misuse, consequences, etc.
- c. Counselling: Assisting in developing positive coping skills for personal issues that have influenced a student's choice to use alcohol or other drugs.

- d. Affected Person Issues: Dealing with a student's feelings about the effects of alcohol/drug use on an important other person (parent, friend, siblings) in the student's life.

D.8-4 S³ – Student Support Services Referral System

Student Support Services (S³) is a program set up within MBCI designed to identify students who may be experiencing problems. Once a problem has been identified through referral to the program the S³ Committee will try to determine the most appropriate assistance available to help the student. Anyone who is concerned about a student may make a referral to the S³ Committee. Referral forms are available from the counsellors in the Student Services Centre.

D.8-5 School Nurse

A public health nurse is available on Thursdays to provide health counselling to students on a variety of topics.

D.9 RESOURCE SERVICES

A resource teacher is provided to students who require additional assessment or who are experiencing major academic difficulties. Access to the service is through a referral from the teacher or principal or student self-referral. Consultation with teachers, parents and students may follow. The services of an education psychologist and speech language pathologist are available through the resource teacher.

D.10 CRIME STOPPERS

Students are encouraged to report theft to the office of personal property or other crimes which occur at school. School Crimestoppers forms are available from the principal to receive tips concerning recovery of stolen or vandalized property. A source of information received is held in strict confidence. Cash awards up to \$200.00 for useful tips are determined by a student Crimestoppers Board. Awards are paid without identifying the source of the tip.

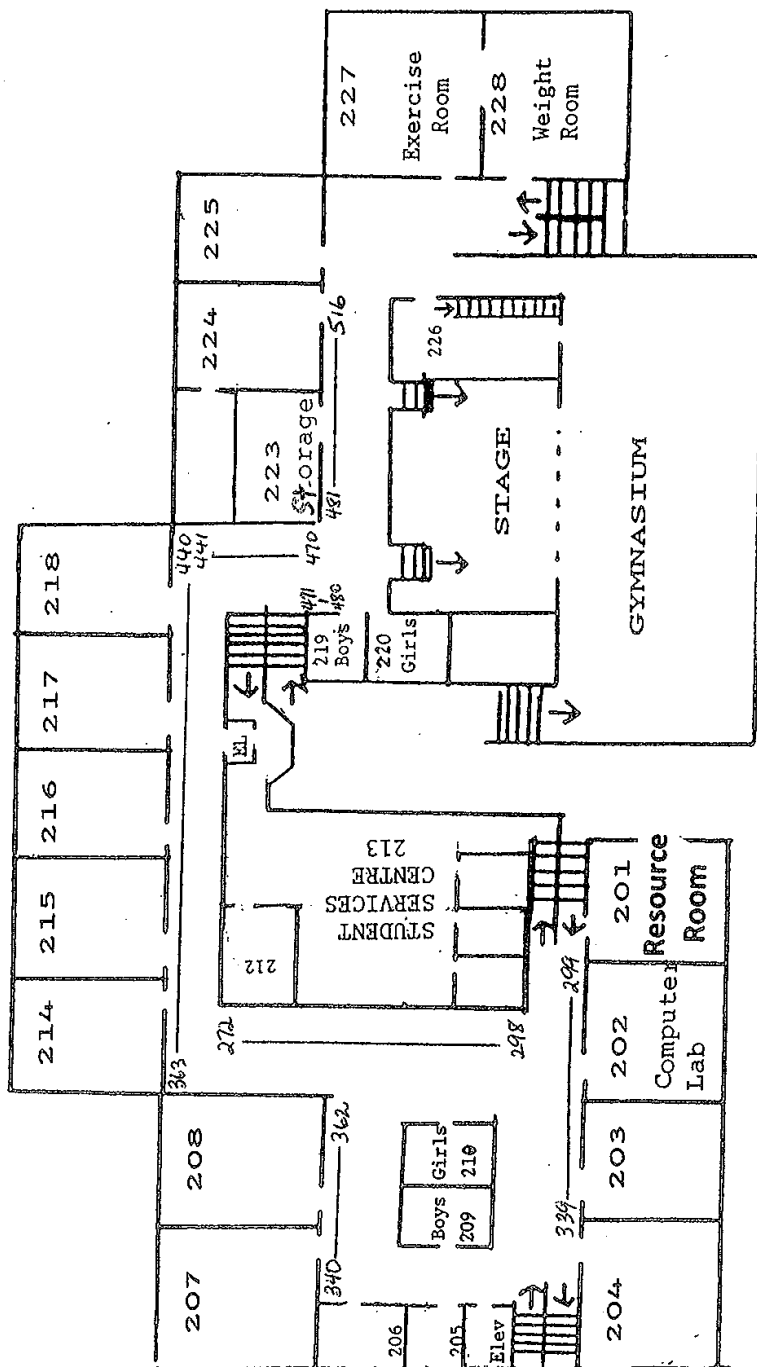

D.11 MAPLEWOOD ON-LINE – STUDENT & PARENTAL ACCESS TO INFORMATION

Beginning in the fall of 2011, student academic, and attendance information will be available on-line at Margaret Barbour Collegiate.

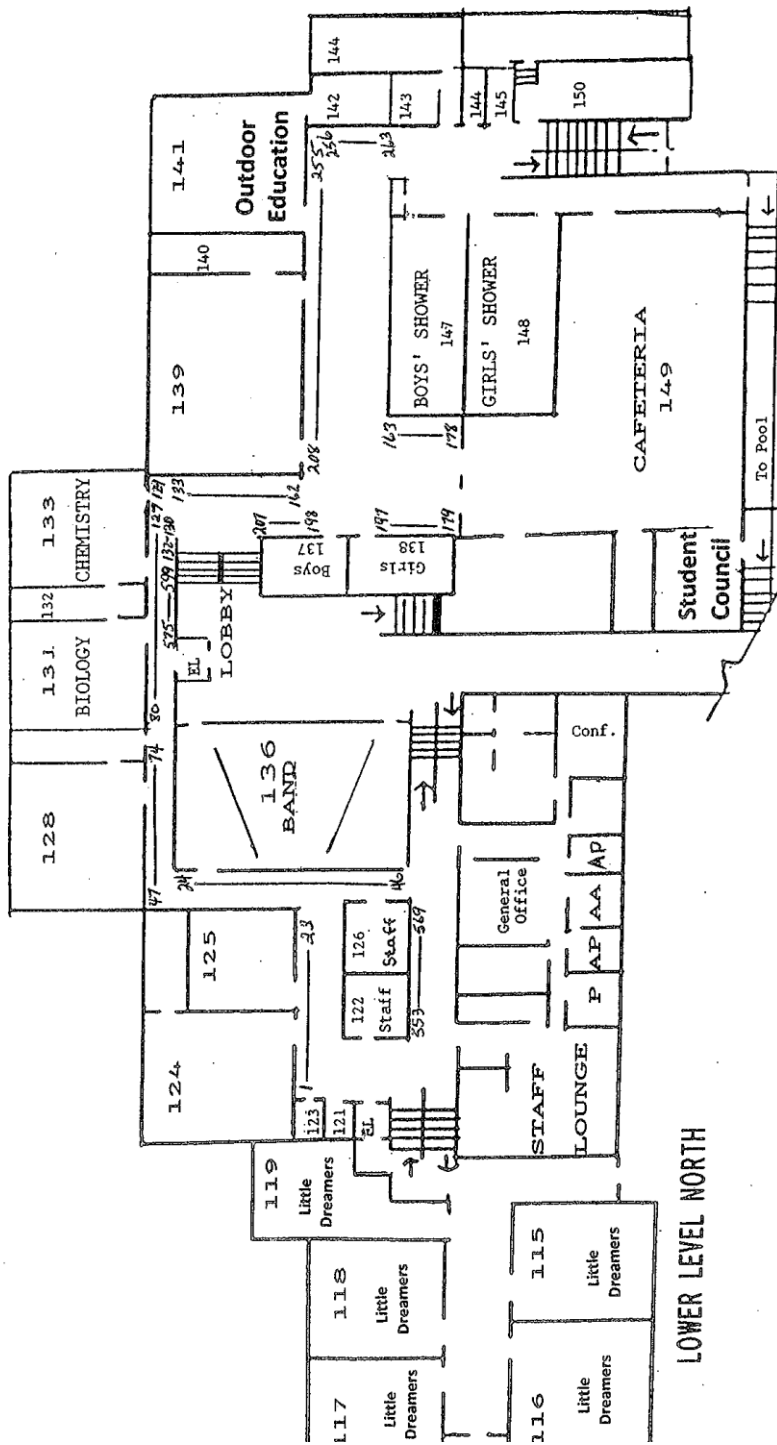

Follow the link found on the MBCI Website at mbcithepas.com. Each student and parent will receive a unique **USERNAME** and **PASSWORD**. Students and parents will have access to up-to-date attendance and academic information. **The student username is the "3 letter Code" found on each student's timetable. The parent user name is the "First 2 letters of the student's given name and the family name". Example for John Smith, the parent's username would be "JoSmith".**
